

CHAIRMAN'S REPORT

Ian Simpson Chairman

7th MAY 2021

The Board of Directors met on Tuesday, 5TH May, for their scheduled monthly meeting. The following may be of interest to members

FINANCE

The club continues to be in a strong financial position, with all of our operational areas attracting patrons from within our membership and the many visitors to the Rocks.

Turnover generated by these members and guests ensures we continue to maintain a healthy financial position.

Our outdoor sporting venues continue to attract more and more patrons and that effects the flow on to the club in general.

Golf numbers are up and the bowling clubs continue to host State championship events attracting more visitors to our club.

CLUB PROJECTS

The Mid North Coast High Performance Centre to be built by Lipman Pty Ltd, is due to commence in the week starting 10th May 2021. Club management and Directors will be involved in the continued planning and will have a role in consulting with the builders during construction.

We have been frustrated by the delay but look forward to the commencement of work.

Some inconvenience may be experienced by members and visitors due the need for storage of equipment and materials adjacent to the site. This is unavoidable so please bear with us and the builders.

Work on the Greenkeeper's Shed continues as does the additional outdoor toilet for members use.

Planning for the implementation of the five-year plan to improve services, add new areas to the club and provide other commercial opportunities continues.

Our hotel concept planning continues, and Council have placed the DA on public display.

I again report that this is a work in progress and no final decisions have been made. Further information is available from our CEO, David Cunningham.

New cart paths continue to be constructed by a local contractor. This is funded by the course development fund.

The new furniture for the main bar area is due for delivery on 12th May.

CATERING

Matt and Lauren have decided to take a break from catering. They will continue on with us in the short term while we integrate a new Asian fusion style caterer into the bistro. Patrons may notice some changes in the coming weeks, but more information and the new menu will be available next month.

CLUB MEMBERSHIP

Our club membership is steadily growing with 67 new members being approved, taking our total to 4624.

KIOSK

The Horseshoe Bay Kiosk continues to trade well and provide visitors with beach side takeaway food options and provides employment for our community.

The Board and management agreed to donate the old bus to the volunteer fire brigade for them to practice rescues. The new bus has arrived and will be in service from now.
