DINING AT IT'S BEST

“

My husband & I are from North Queensland though we met in SWR so we wanted to go back there to get married. As soon as I spoke to the functions manager from the club everything started to fall into place quickly and easily from the decorations to the food and all to my budget. Being so far away I relied on her alot. The layout in the auditorium was perfect, all the staff were happy and attentive, and the food was absolutely amazing,

I would highly recommend this venue to any other couples getting married in this region.
