

Operations

We are currently focused on securing a new catering contractor to take on all catering operations within the club. We have received some very positive interest so far. Application processes are currently underway and will shortly be assessed for the best solution for our members.

I would like to thank Sambos and TTT Catering for helping us out during this period. Both food trucks will remain onsite until a suitable caterer is engaged, Social Alley Diner will also be available seven days a week. We thank you for your patience at this time.

Also, a big thankyou to Janine, Aaron, Danielle, Lilly and Junior staff for their tireless efforts in cleaning and re organising the Bistro space and kitchen.

Although having no caterer inside the club, the club is trading at a level we expected. The new beer garden is being well utilised and we are currently collecting quotes for permanent shades and landscaping in this area.

We have recently had our pumps and water filters installed on the golf course and are awaiting the arrival of a new Toro rough mower. Number 2 bowling green is back in play and was used for some of our biggest barefoot bowls days over the holidays. Green 3 will be renovated in the coming weeks.

We invested in gaming during December with 7 new machines installed. New furniture was also purchased to replace some older furniture and also seating for the Beer Garden

The board approved a Club Grant for South West Rocks Marlins Rugby League. Congratulations.

Lastly, I would like to thank Bruce Robinson, who has recently stood down from the board. Bruce, thank you for your tireless efforts and many years on the board here at SWRCC from management and staff, you will be missed.

Peter Tyler

On Monday 26th January 2026, Australia Day we attended the Raising of the Flag & Breakfast at the Shelter Shed with our South West Rocks Community. A beautiful morning to come together and to take a moment and be proud.

We were honoured to present the Volunteer of the Year 2025 Award to Nancy Pattison. Congratulations Nancy and thank you for all you do for our community, well deserved.

You can view Nancy's nomination background story on our website - a great read.

Thankyou to South West Rocks RSL Sub Branch, SWR Cadets, the Ukulele Club and all those that volunteered their time as well.

Our very own Brandon Connor performed in The Rocky Horror Shows presented by Tamba Theatre Company in Coffs Harbour through out January while still working full time as our Golf Manager. 12 shows in total!

It was great to see some our Members at the shows and supporting.

Brandon did mention that this would be his last theatrical performance, but we hope to see him back on the stage again!

We love our Members! A Member shout out to Liz and Meryl!

Liz would have to be our biggest raffle supporter and attends without fail - rain, hail or shine every Monday, Thursday, Friday and Sunday.

Meryl, would be close to it too! Meryl is one of our long time Members, always smiling and enjoying our Club offers.

Thankyou for being big supporters of South West Rocks Country Club.

Employee of the Month

Congratulations to our Employee's of the Month!

Outside employee John Meehan and inside employee Janine Ford.

John has been with us for 10 years this February and Janine for 7 years.

We appreciate you both so much! Top workers and definitely well deserved.

Thank you John and Janine for being apart of South West Rocks Country Club team. We hope you enjoy your vouchers!

Golf

New year, new golf goals!

January has been a massive month for us all. Coming off the high of Christmas and New Years, catching up with family and friends and all too soon saying goodbye again.

As many of you have noticed, the golf course has been very busy, and I would like to thank all our members for your participation, patience, and hard work in keeping care of our golf course and sharing it with the many guests who venture to South West Rocks this time of year. I understand there are more divots and pitch marks out there than usual but with everyone's help repairing damage when you see it and a bit of rain the course will heal.

With a new year comes new goals. Goal setting is a great motivator in improving your golf. A tip I would like to pass on is to set yourself a goal for this coming year. It can be handicapping goals, overcoming that one demon hole or simply improving one aspect of your game. Make your goal simple and achievable.

Thank you all again for a massive month and I look forward to seeing you all on the course soon! Be sure to check out our February Promotions as well!

Brandon Connor

Bowls

What a great Summer it's been here at the Rocks so far!

Our greens have been full with barefoot and social bowlers every sunny day through out January.

Our Thursday Barefoot Bowls and Summer Sundays thrived this month and we were happy to see so many newcomers come on down to participate and support.

Congratulations to Braydon Croft on winning the Best Bowls Moment in 2025! Winning a brand new bowls bag, by simply sharing a photo and memory of winning his first Championship in Bowls in our January Bowls Promotion.

Coming up is Pennant season. Five teams have entered with great chance of reaching the Regional play offs.

The Club semi finals will be played on Sunday 1st February with Team Tyler playing against Team Boulter and Team Thurgood playing against Team Cameron.

Be sure to check out our upcoming February Promotions for Bowls too!
